

**ANNOUNCING
IR INFO
CONFERENCE
2017**

**IR INFO 2017
CONFERENCE**

**THE ORIGINAL INFRARED THERMOGRAPHY
ADVANCED TRAINING CONFERENCE
AND TECHNICAL SYMPOSIUM**

ORLANDO, FLORIDA / JANUARY 22 - 25, 2017

IR/INFO Conference is a MUST for everyone who wants to maintain an effective Infrared program or service. It is the ONE conference to attend to refresh and improve your knowledge and to gain insight into new technologies and techniques.

**IR INFO 2017
CONFERENCE**

**28th ANNUAL
ADVANCED TRAINING CONFERENCE & TECHNICAL SYMPOSIUM**

Whether you're the "answer guy" at your facility or a newcomer to the world of thermography, you can't afford to miss IR/INFO, the original infrared conference.

- Make yourself more effective in your job and your company more profitable
- See first-hand current, practical information for today's workplace
- Learn from and network with the world's foremost experienced thermographers
- Return to your job with the latest ideas, solutions and answers in thermography

WHO SHOULD ATTEND

- Thermographers
- Process Control Supervisors
- Maintenance Managers
- Loss Control Specialists
- Reliability Engineers
- P/PM and NDT Personnel
- Manufacturers
- Quality Assurance Inspectors
- Home & Building Inspectors

"A very informative conference, covering a wide range of thermographic applications presented in a professional, well organized format. I plan on being a regular attendee."

OVER 20 OUTSTANDING PRESENTATIONS BY EXPERTS FROM AROUND THE WORLD!

Short Courses

5 Short Courses covering some of today's most challenging topics and issues. Sharpen your skills and broaden your knowledge with:

1. **Generating Standards-Compliant Reports**
2. **Infrared Inspections of Steam Systems**
3. **Infrared Thermography & the Law**
4. **NFPA 70E - What Thermographers Need to Know**
5. **Calculating IR Program Payback**

All Short Courses are FREE to IR/INFO attendees. Individual short course tuitions and daily rates are available for non-attendees. Register on-line today.

Other Scheduled Topics:

- New Applications
- Preventive & Predictive Maintenance
- Case Histories
- Latest Equipment Developments
- Standards Update
- Safety Concerns
- Integrate IR with other P/PM & NDT Technologies
- Certification of Personnel

How You Will Benefit:

- Learn New Techniques
- Network with Industry Leaders
- See Latest Developments
- Share Ideas
- Discover New Applications
- Master New Technologies

TRAVEL AND LODGING INFORMATION

Hotel: IR/INFO 2017 will be held at the Wyndham Lake Buena Vista Resort. This full-service hotel specializes in impressive facilities, family-friendly amenities, and uncompromising fun and service. The hotel is across the street from Disney Springs®, has continuous shuttle service to all the Walt Disney World® parks, and is only a 10 minute ride away from Sea World & Universal Studios. A block of rooms is being held for IR/INFO 2017 Conference attendees at a rate of \$139 per night. Register for the hotel before January 6, 2017 to receive this special rate - subject to availability.

Transportation: The Orlando International Airport is located just 17 miles from the hotel. Several car rental agencies and ground transportation options are available at the airport.

JOIN US FOR THE IR EVENT OF THE YEAR !

Now in its 28th year, IR/INFO is well known within industry as the finest source for infrared information exchange. Infrasppection Institute invite you to join us for four days of learning, networking, and professional development in a relaxed, family friendly atmosphere.

Several conference packages are available including single-day admission and individual short courses.

For information, prices, and to register, call 609-239-4788 or visit us online at: www.irinfoconference.com

IR THERMOGRAPHY FOR THE REAL WORLD

Symposium & Technology Schedule

Sunday, January 22

- 9:30 am Exam Registration

- 12:15 pm Closing Remarks
- 12:30 pm - 1:30 pm Lunch

Technology Showcase

Our exhibitor area will include leading manufacturers, distributors and service providers in P/PM and NDT technologies. Exhibitors from past IR/INFO Conferences will be returning along with many new firms. These industry leaders will be providing the latest information and demonstrating state-of-the-art advances in their products. Some will also be sharing their technical knowledge via symposium presentations.

Technology Showcase is open to everyone at no charge. To participate in any other IR/INFO activities, registration is required.

Attention Family and Guests

Family and guests are invited to participate in the Conference activities. Join attendees for our Tailgate Party, the IRINFO Group Social or any of the other events. Please visit our website for details of events and to register.

Infrared Image Contest

When it comes to thermography, it's all about your image. At IR/INFO 2017 we provide you with an opportunity to display your best images and compete for pride and prizes! Competing images will be prominently displayed during IR/INFO 2017 beginning on Sunday, January 22. Judging will take place during the Tailgate Party. Contest is open to all conference attendees and participation is free. For more details visit www.irinfoconference.com.

Special Offer

Attend IR/INFO 2017 and receive a tuition voucher for up to a 100% discount on a 2017 Infrasppection Institute Certified Infrared Thermographer® training course.

Offer may not be combined with any other discounts or offers. For more information visit www.irinfoconference.com or call us at 609-239-4788.

INFRASPECTION INSTITUTE CERTIFIED INFRARED THERMOGRAPHER® EXAM

Students who have completed their Distance Learning within the past year may register to take the Infrasppection Institute Certified Infrared Thermographer® exam at no cost during the Conference. Those taking their exam are invited to join us for the IR/INFO Tailgate Party on Sunday evening.
